## TYPESCAPE-EK

Below is a selection of the "typescapes" by Robert Zend that are published in *Versek, Képversek* (Paris: Magyar Műhely, 1988), pp. 53, 59, 62-66, 68, 70-76. Copyright © Janine Zend, 1988, all rights reserved, reproduced under license. The remaining typescapes published in *Versek, Képversek* have not been included here because they were previously published in *Arbormundi: 16 Selected Typescapes* (blewointmentpress, 1982) or "TYPE SCAPES: A Mystery Story," *Exile: A Literary Quarterly*, Vol. 5, Nos. 3 & 4 (Toronto: Exile Editions, 1978).

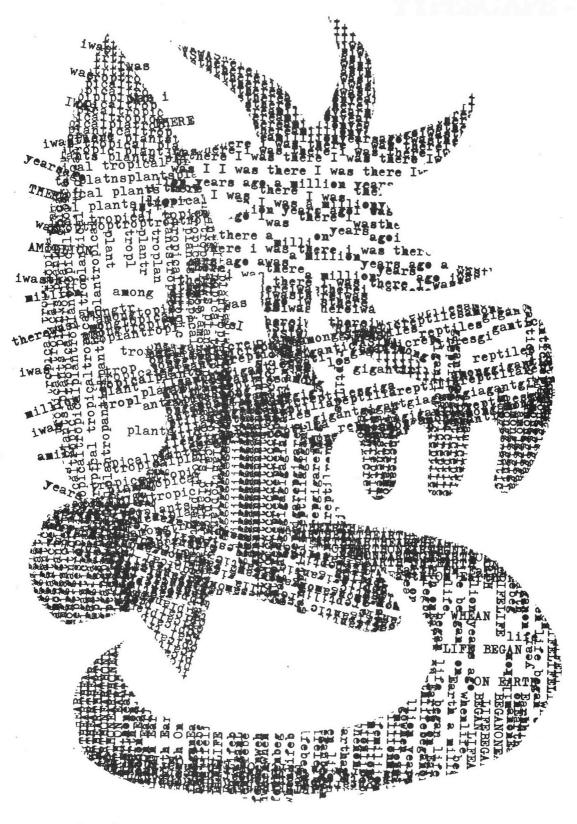

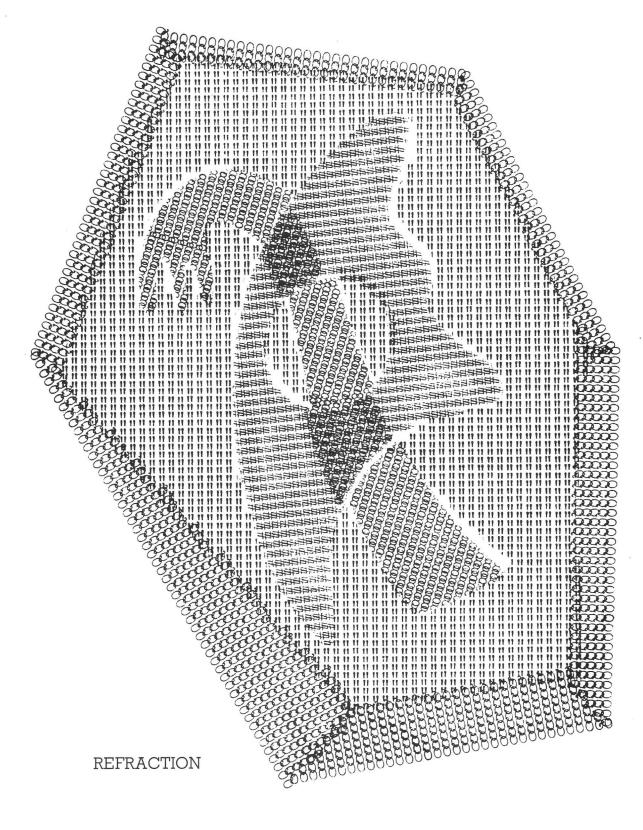

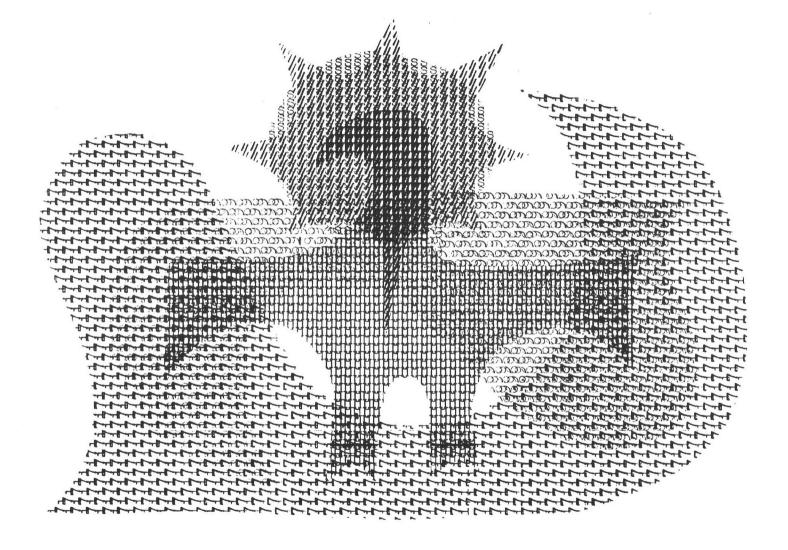

And then it struck me! The dream! The haunting, inexplicable dream I had seen a few weeeksago. ... I was travelling in an unknown, farEastearmn Countyrywhere to be to a met a met a manw whohad had invented a newkind of the best of the total of the never neverseen his ffac de face it of the best of the total of the never neverseen his ffac de face it of the total of my dream, butnor nordid sordid Nory did I GGHHHIS POX poems his poems were ous shapoes on which talk out shapees your plantest ton which various appeared appeared appeared to the control of the cont Various shapes on V shpapes Agoldenplatesonwhichvariyous yalands Cappeared ats own here each shape had a differ each shape had onenoteh and different texture each shape had ad a dikix i had never seen poems like this before Like a bas reliefthey bulged golden plate anitiated me into the sectets of the secrets of the HE INITE embossing poemshapes golden arr into the plates he initiated me int secrrtetesof the embossing The evanescen man of this faraway drea areamlaned dreamland asked me to salvage his creati his creation when I'll HE ASKed me wake UP so that the would not not dispoppear when I wake up but he ligaveme baveme gave me a MANDATE to reinventthem when I wake up wo that his creation would not the wake up when I wake up when I wake up when I wake up wakeup when wakt8p when I wake upwakeup
